Overview

ABOUT US

PRO-TECH FIRE SERVICES LLP (PTFS) is a fire protection company that delivers quality fire protection systems and solutions. We protect lives and property while providing an exceptional value to our customers. This is accomplished by the focus and delivery of the PTFS values: integrity, commitment, professionalism, quality, and safety

OUR MISSION

Quality solutions for the protection of lives and property, providing an exceptional value to our customers.

It's the policy of the company to provide customers with products and services which achieve and sustain the highest possible quality standards. This statement is the basis of our management philosophy and reflects the commitment of every individual within the organization.

OUR VALUES

Integrity | You can trust us to be people of integrity. We'll do the right thing even if it hurts. We build trust by producing quality and excellence. No one worries that we won't deliver the highest quality. We build trust by our commitment. Everyone knows that we will keep our word. We build trust through our professionalism. Our team is recognized by customers, our competitors, and our sister companies as the most professional in the industry. We build trust by our commitment to safety. After all, we're dedicated to protecting lives and property.

Quality

Quality drawings, quality solutions, quality ideas, the quality people we hire, and quality jobs we produce.

Safety

Our employees work in a safe and drug-free environment where they can go home at the end of the day the same way they came to work that morning. It's a simple and straightforward value, but it's very important to us.

Professionalism

It is exemplified in the way we treat our customers and peers and conduct business... give what you expect to receive!

Commitment

Commitment to the company, your branch, your job, sticking out the tough times; to us it means stepping up and being willing to give 120% whenever asked.

We look forward to the opportunity to assist you with any of your fire protection needs. As your fire protection contractor, we will collaborate and work with you to find solutions to your specific applications. Please feel free to contact us about your residential, industrial or commercial fire protection needs. We will provide a no-obligation consultation, survey or solution..
